Subject: Provisioning of Broad band connections of BBNL-Reg.

A meeting was held by Secretary, DOT on 30-6-2017 to review the progress of NOFN project. Director (Ent.) BSNL, Board and PGM (NOFN), BSNL CO. were present in the meeting. To expedite the litting of GPs, it was directed by Secretary, DOT that BSNL will raise demand note for all Broad Band connections for which requisition has been given by BBNL, and BSNL shall create all User IDs and Passwords immediately and make available to BBNL state PMUs without delay so GPs can be lit as per the target fixed.

GM(NTR),BSNL has centrally issued demand note for 1,05,000 BB connections for 999 unlimited plan to BBNL.(Copy Enclosed)

CFA Cell is requested to issue suitable commercial/technical guidelines to field units/ITPC in this regard. This may be treated as **MOST URGENT**.

Enclosure: as above
