Subject: Free 500 Mb download for customers who activate Motive client Software successfully.
Ref: Minutes of meeting held in BSNL Corporate Office on 09/9/2010.

       In order to expedite the Motive implementation, the competent authority has decided to give free 500 Mb download to all customers who activate Motive client software successfully.

End to end procedure for this scheme is as follows:

1.   Free 500 Mb to the customers will be given in one month bill only. This will be the month subsequent to the month in which the customer downloads and activate the Motive client.
2.   The details of the customers who download and activate Motive client will be captured in the Multiplay system. The Multiplay system will forward the details of new customer who activate the Motive client to the P3/CDR system. The Multiplay system will be responsible to ensure that the only incremental list of customers who have activated Motive client for the first time is forwarded to respective system.
3.   The respective billing system at the end of the month will deduct 500 Mb from the total usage of the customer and then arrive at the chargeable usage as per the customer plan. The invoice will be raised accordingly.

This scheme shall be effective from 01/01/2011.
