**Sub: Regarding extension of IN services for ported in customers.**

This is in reference to the issue of extending BSNL wire line IN services to 'PORTED IN' mobile customers who have migrated to BSNL from other operators.

In this regard, Bangalore has requested to issue instructions for extending wire line IN services to such customers.

In this regard, it is clarified that all wire line IN services (postpaid and prepaid) available to 'NOT PORTED' subscriber shall be extended to 'PORTED IN' subscriber also.

Necessary configuration and changes in SCPs of wire line IN may kindly be made to enable the same.
