Subject: Review of "Rent Free" land lines provided under various Plans and Scheme regarding

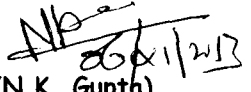

It is noted that over a period of time BSNL has provided a sizable number of "Rent free" lines under various plans and scheme. These numbers of "Rent free" lines are in multiple of thousands in various Circles.

You shall appreciate that BSNL Landline revenue comprise a significant portion as Rental (Fixed Monthly Charges). For example, certain rent free lines might have been provided to customers when the revenue from main line of customers was above 1000 or 1500 which might have been reduced now.

Since the market conditions are changed a lot now and the criterion of providing "Rent Free" might not hold good now.

Therefore, you are requested to immediately conduct a review of all rent free lines provided under various plans and scheme and suggest further course of action.

Please also inform us the number of "Rent Free" lines working in your Circle, plan/scheme wise, latest by 18th Nov'13.
