Subject: Utilization of vacant quarters by renting on long term lease to outside agencies: Regarding identifying the quarters.

I am directed to draw your kind attention towards the matter cited under subject above. It is seen that huge Nos of staff quarter are lying vacant in different circles. This office has time and again issued policies for leasing out the vacant quarters to employees of central govt., PSUs, to BSNL employees for their family members and to retired employees of BSNL/DOT. Barring few circles, generally it is seen that efforts made by circles have not yielded the desired results and lots of staff quarters are still lying unoccupied.

In this regard, it has been decided to identify the quarters which can be leased on long term basis to outside agencies. Hence, it is requested to identify the quarters which can be leased out as separate block/located in a separate building/tower and intimate the detail of such quarters to this office for further action in the case. Further it is also requested that possibility of providing a separate block of quarters for renting on long term basis, by shifting existing occupants to other location may also be worked out and intimated to this office on priority.

This may be treated as most urgent.
