No. 112-05/2010-BP-Ent.

Dated: 29th June, 2012

Subject: - Review of tariff of Internet Leased Line (ILL) services of BSNL - regarding.

1. The tariff of Internet Leased Line (ILL) service of BSNL was revised vide circular of even no. dated 29th March, 2012. The tariff of 1 & 2 Mbps ILL as per this circular is as follows.

Existing tariff of 1 & 2 Mbps ILL

S.No.	Bandwidth	Annual tariff for 1:1 ILL (in Rs.)	Annual tariff for 1:2 ILL (in Rs.)	Annual tariff for 1:4 ILL (in Rs.)
1.	1 Mbps	95625	62160	38250
2.	2 Mbps	270000	175500	108000

It has been pointed out by some circles that as the bandwidth doubles from 1 Mbps to 2 Mbps the tariff increases by more than two times (2.82 times), whereas as per principles of charging the increase should be less than two times. The anomaly is creating practical problems where customers are preferring 1 Mbps ILL over 2 Mbps ILL.

2. The case has been examined and the competent authority has decided to revise the tariff of 1 Mbps ILL as follows.

Revised tariff of 1 Mbps ILL

S.No.	Bandwidth	Annual tariff for 1:1 ILL (in Rs.)	Annual tariff for 1:2 ILL (in Rs.)	Annual tariff for 1:4 ILL (in Rs.)
1.	1 Mbps	150000	97500	60000

3. Other terms and conditions:

- (i) The revised tariff of 1 Mbps ILL is applicable from 01.07.2012. All new acquisitions will be as per the new tariff.
- (ii) The customers who have taken 1 Mbps links prior to 01.07.2012 will continue with earlier rates and discounts and the new rate will be applicable only at the time of renewal.
- (iii) All other terms and conditions remain unchanged.
