Sub.- Online Recharge facility for Prepaid Broadband Services on DSL and WiMAX.

Prepaid Broadband Services of BSNL has already been launched in all the circles. Currently the customers can recharge their prepaid broadband account through physical recharge vouchers purchased from BSNL customer service centers.

In addition to this, it has been decided by the competent authority to provide online recharge facility (through Debit cards and bank account only) for Prepaid Broadband services on DSL as well as on WiMAX to recharge pre-paid broadband account through BSNL selfcare portal <http://www.data.bsnl.in>. The detailed operational procedure and roles & responsibilities of different units have already been issued by this office letter no. 64-27/2009-Broadband dated 18-10-2010.

The BFCI cell, BSNL C.O. shall include the Prepaid broadband service on DSL and WiMAX as an additional service in the list of services for which online recharge is implemented and shall issue the instructions to field units regarding procedure for transaction flow.

It is requested to kindly make all the technical preparations for launch of the online recharge facility for prepaid broadband services on DSL and WiMAX. So that it may be launched immediately after issue of the instructions from BFCI cell, BSNL C.O.
