No. BSNL-CO/NWP-WiMAX/ 2010-11/General

Dated : 07.08.2012

To,
The Chief General Manager
All Telecom Circle (except A&N)
Bharat Sanchar Nigam Limited

Sub : Guidelines for Provisioning of VPN over WiMax – reg.

Migration of WiMax customers to Kenan Billing System (COMVERSE) is taking place zonal wise. After migration, some circles have raised difficulties faced by them in creation of VPN over WiMax customers, as there is no facility in Kenan for creation of VPN over WiMax customers. As informed by VAS cell, it may take some more time to incorporate / develop the concerned modules for creation of VPN over WiMax customers. Meanwhile, Circles may manually create VPN over WiMax customers in P3 system, as it is being done earlier.

However, the necessary guidelines for provisioning / creation of VPN over WiMax are again reiterated for guidance of all Circles **(Annexure)**.

C. V. Ramana Babu
