No. 1611-Dir(CM)/2011
July 8, 2011

Dear Shri

One of the deterrents for take-off of CDMA services was availability of IFWTs and maintenance problems associated with that. In fact, there was a demand that customers wanted mobility with CDMA IFWTs and the battery set supplied with IFWTs was quite bulky to handle. Accordingly, RUIM based CDMA product was evolved which can be put in a handset similar to GSM. Such handsets are available from OEM like Micromax, Samsung, Intext etc.

The pre-paid roaming is NOW available in all BSNL circles except Delhi and Mumbai. Various attractive tariff plans like Local Azadi, STD Azadi and Annual Azadi are now available for WLL connections.

In your circle, RUIM cards have been supplied and have been utilized till date. I suggest that all possible efforts may be made to sell these RUIM cards which will help in optimal utilization of the CDMA capacity available in the network. UP (E) and Rajasthan Telecom Circles have done a commendable job by organizing Melas and Road Shows in their SSAs to popularize this. Suggestions to promote the same are welcome from all the circles. I would like to have a feedback on the action taken within 15 days' time.

With best wishes,

Yours sincerely,

(R.K. Agarwal)

Shri
Chief General Manager,
Telecom Circle,

No: 11-6/2010-P&P-CM (Pt)

Dated: 6/6/2011

To
The Chief General Managers
All Telecom Circles/ Metro Districts.

**SUB: - Bundling of new CDMA handsets model and EVDO data card model
launched by M/s Micromax Informatics Ltd.**

M/s Micromax Informatics Ltd has signed MOU / Agreement for sale of BSNL services after bundling with their devices (GSM handsets, 3G data cards, CDMA handsets, EVDO data cards etc). In addition to earlier CDMA handset models and EVDO data cards which are available for reverse bundling, two CDMA handset models and one EVDO data card as mentioned below, offered by Micromax have been empanelled for reverse bundling.

1. CDMA handset models:

- a. C114
- b. C250

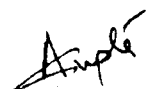

Tariff plans will remain the same as already approved.

2. EVDO data card

MMX310 C

All terms and conditions mentioned in the letter no.9-6/2010-P&P-CM, dated 09/8/2010 (already uploaded on Intranet) will be applicable for EVDO data card.

This issued with the approval of competent authority.
