the 31st October, 2013.

Dear Shri

On review of MNP performance, we find that the Circles, namely Jammu & Kashmir, Orissa, Karnataka, Andhra Pradesh, Kerala and Tamilnadu have recorded favourable port out and port in ratio during the last quarter. A good amount of efforts are required to be put in by remaining Circles as the ratio in respect of some of the Circles is as high as 4 (copy of status at Annexure. I).

In order to give boost to favourable MNP, lucrative incentive for MNP has been announced vide letter No.28-2/2013-S&M-CM/11 dated 8-10-2013 available on intranet. According to this, an additional incentive for new MNP activations @Rs.25.00 is to be given directly to POS based on report from Sancharsoft. I would like you to bestow your personal attention for making use of such promotional measures vigorously and ensure significant improvement in MNP performance. I would appreciate if a brief action taken report in this regard is sent to me within next 10 days.

With best wishes,

Yours sincerely,

(Anupam Shrivastava)

Encl: as above.
