MESSAGE

I am happy to know that this year Vigilance Awareness Week is being observed in Bharat Sanchar Nigam Limited from 28th October to 2nd November 2013, in accordance with CVC instructions. The theme of observing Vigilance Awareness Week is "Promoting Good Governance- Positive Contribution of Vigilance".

Governance is the exercise of economic, political and administrative authority to manage an organization's affairs at all levels. Promoting good governance is the focus of the Vigilance Awareness Campaign this year. Good governance can be achieved by implementing transparency in working methods and inclusion of high values and practices. BSNL has taken various steps like e-procurement and introducing technology to promote the above motto.

I would like to mention that Good governance and human resource are key pillars of development policy of any organization. It's the positive vigilant attitude of its employees which ensures good governance. The quality of governance we practice reflects on the quality of service we provide to public. Hence the officials of BSNL should adopt fair methods and impartial mechanisms to execute its duties. Our efforts need to be more vigilant to make BSNL as a corruption free organization. Without good governance no amount of efforts from the officials of BSNL can guarantee our success.

I extend my greetings to all employees of BSNL and wish a very successful Vigilance Awareness Week – 2013. Let us join hands together and take a pledge for creating a corruption free BSNL and to collectively achieve the objectives of Vigilance Awareness Week.
