Subject : Relaxation in OTP window- regarding.

This office is in receipt of representations from the applicants who have applied for inter circle transfer through OTP and they have withdrawn their online application inadvertently due to one or other reason. Now they want to re apply their transfer request through OTP, but they are not able to re-submit their transfer request through OTP as the message "Please try after 6 months of submitted date – DD.MM.YYYY" is appearing.

In view of the fact that due to recent JTO(T) to SDE(T) promotions many executives have become eligible for inter circle transfers recently and are using the OTP window for the first time, one time relaxation is hereby given to the executives who withdrew their application to re-apply in OTP window for the desired inter circle transfer. This relaxation will be for the current OTP window only which is open till 31.07.2021.

However, in future once an application is withdrawn by the applicant, he/she will not be able to re-apply for next six months from date of withdrawing his/her application. Therefore the executives must be very careful while filling and submitting applications in OTP.

This issues with the approval of competent authority.
