Subject: - Application of Government servants for employment elsewhere -
Principles to be observed in considering the question of forwarding
applications.

Sir,

It has come to the notice of the competent authority that a number of applications are received duly forwarded through your office for various deputation posts. They are processed and forwarded after getting vigilance clearance and necessary approval of the competent authority. On their being shortlisted for the particular post, they are intimated of their interviews etc. After being selected, case of their deputation is put up to Controlling Authority, i.e. Hon'ble MoC&IT and MoS (C&IT) for their approval. On approval, concerned offices are then requested to relieve the officer.

2. It is observed that in many a case, the selected officers refuse to join their new assignment even after their relieving and request for cancellation citing various reasons. On the whole, a lot of resources of the borrowing organization as well as of the department go wasted. Besides, the post remains vacant for quite a long time for completion of the procedural requirements for selection of the new candidate.

3. It has, therefore been decided, with the approval of the competent authority, that such request for cancellation of appointment for various deputation posts will generally not be accepted. If the officer still refuses to join the deputation post, he is liable to face appropriate action as per rules, apart from being debarred for consideration for deputation for next five years.

4. All such officers who have been selected for appointment on deputation must be immediately relieved and compliance report sent to this office.

5. These instructions may be given vide publicity through circulars, internet etc.

Yours faithfully,

(DN Sah)
