SUB: - Withdrawal of Blackberry Internet Service (BIS) from Service connections regarding

Please refer to this office letter no. 5-5/2009-P&P-CM, dated: 27/5/2014 vide which Circles were requested to take action in respect of withdrawal of Blackberry Internet Service (BIS) from the service connections. It appears that no action has been taken by Circles or they may be in the process.

It is learnt that normal data service can work even without BIS service on Blackberry phones. In view of this, I am directed to convey that BIS service is to be withdrawn from all service connections with immediate effect. Compliance in this respect can be emailed on bsnlchq@gmail.com.

This issues with the approval of competent authority.
