Subject: Vigilance Clearance – regarding.

It has been observed that some circles are forwarding delay VC status/details even after repeated reminders causes hampering of VC issuance on time from CVO office. The VC status of the officers/officials should be reached to this office within five days from date of VC status request by CVO office.

In this regard, it is requested to look into the matter and instruct to concerned section to send the VC details within stipulated period, failing which responsibility will be fixed and suitable action will be taken against the responsible officers.

This issues with the approval of the CVO BSNL.
