The Management committee of BSNL board vide its 337th meeting held on 20th day and 21st day of September 2017 has approved the following proposal :

“Vigilance clearance need not be withheld for Business Tours abroad, in respect of such officials, who are facing any RDA or criminal proceedings within the Organization or any Court of Law respectively, provided that such departmental or criminal proceedings do not involve charges of moral turpitude. Specifically, pendency of any minor penalty proceedings or currency/history of any minor penalty need not form a ground for withholding of Vigilance Clearance in such cases”.
