No: 268-Gen.Corr/2010-Pers.IV

Date: 13.02.2014

To

Chief General Manager Telecom.,
Kerala Telecom Circle
Trivandrum.

This has reference to your letter No. ES/9-1/Rlg/V/2013-14/9 dated 25.11.2013.

The weightage point system was introduced in 2007 in order to bring uniformity in assessment of indigent condition of the family by BSNL. After issue of weightage point system, the pay of the serving employees has been revised w.e.f 1.01.2007 as per 2nd PRC and hence their basic pension is also calculated as per revised pay after 2nd PRC.

In view of the above, instructions were issued vide letter No. 273-18/2005-Pers. IV dated 22.10.2013 to evaluate all the CGA cases by considering pre-revised pension i.e. pension corresponding to pay before 2nd PRC. This has to be done irrespective of whether the case has been considered by circle HPC or not.

As per CGA policy of BSNL total Terminal benefits only are to be considered for calculating net points. Regarding liabilities of deceased, if any, may be mentioned in application proforma while sending cases for consideration of BSNL CO HPC.
