Subject: Requirement of BSNL staff to fill up vacant posts in DGT HQ and LSA/field units -reg.

Office of the Director General Telecom HQ and its field units at LSAs are facing staff shortage while handling various important activities and contributing in the works related to License compliance matters, Right of Way issues, DBN funded projects, National Broadband Mission, Distaster related matters, DIU, Amended BharatNet project, Cyber threats matters etc. The LSA officers represent the licensing/telegraph authority in the field for licensing compliances. The LSA field units play an important role as an interface between the State Government and DoT.

3. Recruitment against some of these vacancies is under process in DoT Headquarters. However, considering the time required for completion of the recruitment process, induction, and training, it is expected that the manpower may not become available for deployment for at least the next two years.

4. As per the review being undertaken in the Dashboard, BSNL is approaching various organisations for the redeployment/deputation of its surplus manpower. Such surplus manpower from BSNL can be gainfully utilised to address the critical staff shortages in DGT Headquarters and the LSAs, thereby facilitating the smooth functioning of these offices and ensuring timely implementation of important projects and regulatory activities. It is, therefore, proposed that BSNL may be requested to provide suitable manpower on deputation/redeployment basis against

the vacant posts in DGT Headquarters and LSAs, to the extent feasible.

5. This is issued with the approval of the Competent Authority.
