Sub: Implementation of Group Insurance Scheme (GTI) on PAN India Basis for BSNL Executives – request for providing the data to LIC, Bhopal Division which was instrumental in implementation of Group Insurance Scheme in MP Circle for expediting the same.

Respected Sir

Kindly refer to our earlier discussion on the need to immediately introduce a Group Term Insurance for the BSNL Executives. In this connection, data with regard to the BSNL Executives was collected and the same was shared with LIC of India, Delhi Division as well as SBI Life for their early response. However, it is seen that the process is taking more time than expected. It is learned that the proposal is now pending at the LIC, HQ at Mumbai. In the meantime, shocking news of untimely death of three more young Executives has come to our notice.

In this connection, our representatives have already taken initiatives by discussing the modalities with the Bhopal Division of LIC of India which was instrumental in implementation of Group Insurance Scheme in MP Circle. Accordingly, LIC Bhopal Division has shown its interest for GTI on PAN India Basis for BSNL Executives and a copy of which is enclosed herewith for your kind reference. For that purpose, they have requested for the data of all the Executives, PAN India basis. As the introduction of GTI is taking more time through the LIC, Delhi office at Corporate Office level, it is our considered suggestion that the scope of GTI may be widened to PAN India level by providing the data to LIC, Bhopal Division also. In case, LIC Bhopal Division is coming up with the competitive quote first, BSNLCO can nominate them as the nodal unit for processing the GTI on PAN India basis.

Therefore, it is requested that the data of all the Executives may be mailed to LIC, Bhopal Division so that they can process the case and come up with the quote.
