**APPRECIATION**

Dear Shri Anwar Basha,

It gives me immense pleasure to place on record your dedicated approach, positive attitude demonstrated in consistent acquisition of EB business in favor of BSNL Andhra Pradesh from various departments of Government of Andhra Pradesh reinforcing the efforts towards quick resolution of service concerns post-delivery of service. You became an asset to them in the form of single point of contact by virtue of your own work as evident from the service requests directly received from the Director General of Police, the highest dignitary of Police Department in Government of AP.

I am extremely pleased to congratulate you with deep sense of gratitude for the outstanding performance in Enterprise Business leading to achievement of EB Gold Targets for the first half year of 2020-2021 and particularly for recovering Rs 65 Crores of outstanding dues against Leased Circuits, CCTNS circuits etc., from the Government of Andhra Pradesh, through consistent persuasion during the period Aug-2019 to Aug-2020. You have shown an example with highest degree of patience and persuasion ability well evidenced by the collection of payment duly waiting even in late night hours of the day in the o/o Special Secretary (Finance).

This could be possible because of your tireless work, commitment, zeal and enthusiasm for the recovery of Government dues maintaining tall order liaison with the AP State Government Finance Department. It is my fond wish to register you in my mind as "Kuber\_Basha" for such mammoth collections but only with your wholehearted concurrence.
