Dear Shri Khullar,

It gives great pleasure to note that Haryana Circle stood at 1<sup>st</sup> rank in "Mera Circle Sarvshresth circle" challenge in Medium circle category, an initiative by LC Cell BSNLCO, for the month of February, 2023.

During MCSC February, 2023 campaign Haryana circle performance under your able guidance was outstanding in all parameters. Haryana circle stood at top in MCSC February'23 by scoring full points in Gross commissioning target, Upgradation target, fault more than 7 days, Net circuits positive, Geotagging data and high scoring in fault rate etc. Haryana scored full 15 marks in conversion from Copper to reliable media which is highest in medium category circles. It reflects overall best practices followed by Haryana circle in Service Delivery as well as in Service Assurance.

This was possible due to your able leadership and best efforts made by your team.

I convey my deep appreciation for the efforts made by you for this achievement and hope that lease circuits' work will be carried out with similar zeal and vigour to attain new heights in Leased circuit segment. Kindly convey the same to your team also.

With best wishes,

Yours sincerely

(P. K. Purwar)
