Dear Shri Kumar,

It gives great pleasure to note that Rajasthan Circle stood at 1st rank in "Mera Circle Sarvshresth circle" challenge in large circle category, an initiative by LC Cell BSNLCO, for the month of February 2023.

During MCSC February 2023 campaign Rajasthan circle performance under your able guidance was outstanding in all parameters. Rajasthan circle stood at top in MCSC February'23 by scoring full points in Gross commissioning target, Upgradation target, Net circuits positive, Geotagging data and disconnection reason updation. Rajasthan scored highest 10.8 marks in large category circle in conversion from Copper to reliable media parameter. It reflects overall best practices followed by Rajasthan circle in Service Delivery as well as in Service Assurance.

This was possible due to your able leadership and best efforts made by your team.

I convey my deep appreciation for the efforts made by you for this achievement and hope that lease circuits' work will be carried out with similar zeal and vigour to attain new heights in Leased circuit segment. Kindly convey the same to your team also.

With best wishes,

Yours sincerely

(P. K. Purwar)
