We have never seen such high appreciation and recognition of contribution by BSNL and its workforce and hence we feel privileged with such great words and approach of the Government towards BSNL. This is possible with your dedicated services in the last one year and mainly with day and night co-ordination with different offices and units of DoT, Office of the MoSC, MoC and PMO.

Without your great and deep involvement and timely feedback, this was not possible. Kindly accept and pass on our sincere thanks and gratitude to you as Head of BSNL family and all others who have given new identity and new recognition to BSNL and its workforce. After such great words, support and message in clear and loud words from the Prime Minister of India, the executives of BSNL will definitely

feel a change in approach of public and other Government Institutions towards BSNL and its executives and we will be able to add more to the growth and development of BSNL.
