2. Letter No. SNEA CHQ/CWC Corr/Dir HR /2025-28 Dated 27/01/2026.

**Respected Sir,**

With reference to the above subject and letters under reference, CWC (Central Working Committee) Meeting of SNEA CHQ was held at Ahmedabad on 13<sup>th</sup> & 14<sup>th</sup> December 2025.

After two days of detailed deliberations, including extended discussions late into the night, the Committee adopted several resolutions concerning various HR issues of BSNL executives, as well as matters related to the growth and development of BSNL. These resolutions provide clear directions to SNEA CHQ to take up the issues with BSNL Management and other concerned authorities to safeguard the interests of both BSNL and its executives.

But meantime your good self has appealed to keep on hold all HR issues till March 2026, for keeping total focus on achievements of the targets of FY 2026-27 with firm and repeated assurances for settlement of all pending HR issues in Month of April 2026.

Despite considerable unrest among executives regarding this decision, we, keeping in view the paramount importance of the growth and development of BSNL, responded positively to your appeal in your capacity as CMD, BSNL. Although some issues were discussed in routine meetings with BSNL Management, we refrained from formally submitting these resolutions until the conclusion of the financial year 2025-26.

Now that the financial year has concluded, it is an appropriate time to deliberate upon and resolve the HR issues that have remained pending over the past few months. Accordingly, we are submitting the CWC resolutions, reaffirming the stand of SNEA on various HR and developmental matters, for your kind consideration and necessary action on the following:

1. Acceptances of our sincere thanks and gratitude on different actions of Government and BSNL management.

2. Information about the widespread unrest among the executives in BSNL due to non-settlement of majority HR issues.
3. Emphasizing urgent need to resolve the pending HR issues to address and mitigate ongoing mass unrest among BSNL executives.
4. Highlighting the issues impacting overall growth and development of BSNL and its executives.

SNEA will continue to pursue these matters in accordance with the directions of the Central Working Committee. We respectfully request your esteemed office to give due consideration to the views expressed by this highest decision-making body of SNEA, constituted after the All India Conference/Representative Council.

We remain hopeful for early and positive action on these important HR and developmental issues concerning BSNL and its executives.

With Warm Regards,

Sincerely Yours,

DoT has taken stand that the Presidential Order dated 28/03/2017 for Pay Scales of JTOs/JAOs in BSNL is implemented and this issue is settled. But BSNL has not implemented this Presidential order for the last Nine years as this order is not giving any benefits for the affected JTOs /JAOs in BSNL and not fulfilling the request by BSNL on this subject. This Presidential Order just describes the pay scales of the Executives who are not affected by the DPE directions for converting Intermediate Pay scales to upgraded Standard Pay Scales and does not speak about the executives who are really affected by this order. The House appreciated the efforts taken by SNEA for resolution of this issue, and demanded that matter needs to be pursued fast as it is already delayed and every executive is facing loss of Rs 10000 to 15000 per month.
