Dated 23rd August 2026.

Sub: Heartfelt appreciation and gratitude for resolving the long-pending issues of BSNL Executives affected by caste certificate complaints and justice thereof.

Ref: BSNL letter No. BSNL/1-7(11)2019-Pen/CCA/MH Dated 30/07/2026.

Respected Sir,

On behalf of the Sanchar Nigam Executives' Association BSNL, and particularly on behalf of the affected Executives and Employees of Maharashtra Circle, we convey our heartfelt gratitude and sincere appreciation for your timely and decisive intervention in resolving the long-pending issues concerning the release of their retirement benefits which were forcefully kept on hold by BSNL MH Circle for last seven year.

We are particularly grateful for your compassionate and humane approach towards employees who had already completed their service and were awaiting their legitimate retirement dues forcefully kept on hold by BSNL Maharashtra Circle. Your intervention has not merely resolved a long-pending administrative issue but it has restored the confidence of the affected employees in fairness, justice and responsive governance.

The affected Executives and employees had undergone an extremely difficult ordeal for nearly seven years. Despite having opted for VRS on the basis of the assurances extended at the time and having valid Vigilance Clearance on the date of retirement, their legitimate retirement benefits were subsequently withheld, causing immense financial hardship, anxiety and mental agony.

At this crucial juncture, your personal intervention and sensitive consideration of the plight of the affected Executives and employees proved decisive. This outcome is a major relief and a matter of immense satisfaction for the affected families. It demonstrates that when legitimate grievances reach the highest level of Government and receive your personal attention, even matters that have remained unresolved for years can be brought to a just and humane conclusion.

We, therefore, once again place on record our deepest appreciation and profound gratitude for your intervention, leadership and commitment to ensuring justice for the affected BSNL Executives and employees.

We also sincerely acknowledge the support and intervention of Shri Amit Agarwal, Secretary, DoT, whose firm directions facilitated implementation of the decision, and all concerned officers who acted expeditiously to ensure release of the long-pending benefits.

Sir, your intervention has brought not only financial relief but also dignity, justice and closure to hundreds of affected employees and their families. This gesture will always be remembered with deep respect and gratitude.

With highest regards and sincere appreciation,
