To,

Respected Shri Narendra Modi Ji
Honourable Prime Minister of India,
South Block, Raisina Hill
New Delhi – 110011

No. SNEA CHQ/Corr/GOI/PMO/2025-28

Dated 28th September 2025.

Subject: Heartfelt Thanks and Gratitude for the Launch of BSNL's Swadeshi 4G Network and special appreciation of the workforce of BSNL.

Most Respected Pradhan Mantri ji,

On behalf of the Sanchar Nigam Executive Association (SNEA), the only recognised Association of BSNL Officers serving at different corners of India and on my personal behalf, I extend our heartfelt gratitude and sincere thanks to your esteemed leadership for the successful rollout of BSNL's **Swadeshi 4G Network**.

The launch of this fully indigenous **4G Swadeshi Network** stands as a historic milestone, not just for BSNL, but for the entire Nation. It is a testament to your visionary call for "**Atmnirbhar Bharat**", which has now been translated into a proud reality in the field of telecommunications.

This achievement is more than just a technological advancement but it is a symbol of **National Pride, Resilience, and Self-reliance**. By empowering BSNL with a homegrown 4G solution, your honour has reaffirmed commitment to strengthening Public Sector Enterprises and ensuring digital sovereignty for India.

This herculean task of developing Swadeshi 4G well within the monopoly of only four countries, was impossible without your such great and grand support, co-ordination and valuable guidance to BSNL, C-DOT, Tejas and Dept of Telecommunications.

Under your leadership, India now stands proudly among the **five nations globally** that are developing next-generation mobile networks. It fills us with immense pride that this has been achieved through BSNL and other Indian PSUs, elevating BSNL to new heights which is more than our expectations.

For a long time, we at BSNL have witnessed your vision and mission for **BSNL 4G Swadeshi Network under mission "Atmanirbhar Bharat"**, but the same was not in the knowledge of users of Telecom services and the common public. But your **inspiring and highly motivating national address** during the formal launch of the Swadeshi 4G Network from Jharsuguda, Odisha, joined by several Honourable Cabinet Ministers and Chief & Deputy Chief Ministers across the country, has not only brought this vision to light but has also energised the entire Nation in general

and BSNL and its workforce in particular. Your commitment to the mission **"Atmanirbhar Bharat"** and the role of BSNL in it with appreciation of its workforce has highly motivated the entire workforce of BSNL and we at BSNL will continue to give our best to the Nation with more enthusiasm.

Sir, BSNL and its workforce are fully committed to rising to this occasion and will continue to dedicate ourselves to providing world-class telecom services to every corner of the country, particularly in rural and underserved areas. We all the officers of BSNL stand with your great leadership and vision ahead of nations making every Indian feel proud from bottom of heart.

We also wish to acknowledge the tireless support extended by **Shri Ashwini Vaishnawii**, Honourable Minister of Railways & then Minister of Communications, **Shri. Jyotiriditya Scindiaji**, Honourable Minister of Communications & DoNER, **Dr. Chandra Sekar Pemmasaniji**, Honourable Minister of State Communications & RD and by the Department of Telecommunications led by Secretary Telecom **Dr Neeraj Mittalji**, for their day to day monitoring of BSNL Swadeshi 4G Network and making it ready in record time with valuable guidance making this vision a reality.

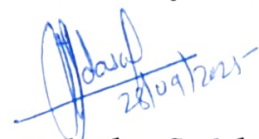

We are confident that under your precious guidance and such great support, BSNL will emerge stronger than ever and play a pivotal role in India's digital transformation and overall growth.

We once again express gratitude and sincere thanks from bottom of heart to your honour for your unwavering support to BSNL and its workforce and great words thereof. We feel enlightened with your inspiring, visionary leadership for our great Nation who is thinking decades ahead of others with a dedicated action plan about growth and development of our beloved Nation, thereby taking our Nation ahead of all other nations.

We strongly believe that with such great leadership, guidance and support from your high office, BSNL will continue to flourish and will surely continue to contribute more and more to your missions **Atmanirbhar Bharat** and Digital India empowering every Indian citizen by all means.

With Profound Respect and Gratitude and Highest Regards,

Sincerely Yours,

Mahadev S. Adasul
General Secretary
SNEA CHQ.
