Dear CGMs

Kind attention is invited to this office letter no. BSNLCO-PRII/19(13)/2/2021-PERS-II-Part(1) dated 02.05.2023 whereby it was requested to validate the ERP data entry with regard to critical illness/disability of self or dependents or parents of the executives. The main objective was to assure relaxations to genuinely critical medical cases/disabilities as per relevant policies and to avoid any misuse by non-deserving executives.

It is once again requested to review all such cases in which the entry in ERP and service book has been made since 01.04.2022 onwards regarding critical illness or bench mark disabilities of self or dependents or parents of the executives under your jurisdiction to ascertain the genuineness of such entries and send compliance report to this office latest by 08.07.2023.

With Regards,

30.6.2023
