(i) "6.1.2 - The DPCs enjoy full discretion to devise their own methods and procedures for objective assessment of the suitability of candidates who are to be considered by them."

(ii) "6.1.3 - While merit has to be recognized and rewarded, advancement in an officer's career should not be regarded as a matter of course, but should be earned by dint of hard work, good conduct and result oriented performance as reflected in the ACRs and based on strict and rigorous selection process."

(iii) "6.2.1(b) - The DPC should assess the suitability of the officers for promotion on the basis of their service record and with particular reference to the CRs for preceding five years, which become available during the year immediately preceding the vacancy/panel year."

(iv) "6.2.1(e) - The DPC should not be guided merely by the overall grading, if any, that may be recorded in the CRs but should make its own assessment on the basis of entries in the CRs, because it has been noticed that sometimes the overall grading in a CR may be inconsistent with the grading under various parameters or attributes."

(v) "6.2.1(f) - If the reviewing authority or the Accepting authority, as the case may be, has overruled the Reporting Officer or the Reviewing authority as the case may be, the remarks of the latter authority should be taken as the final remarks for the purposes of assessment provided it is apparent from the relevant entries that the higher authority has come to a different assessment conclusively after due application of mind. If the remarks of the Reporting Officer, Reviewing authority and Accepting authority are complementary to each other and one does not have the effect of overruling the other, then the remarks should be read together and the final assessment made by the DPC."

4. The Committee were further informed of the following subsequent additional guidelines issued by DOP& T:-

(i) In case where adverse remarks of reporting/reviewing/accepting authorities have been expunged or modified by the competent authority, the overall grading in the ACR has to be decided by the DPC in terms of DOP&T OM dt: 06.01.2010.

(ii) That the DOP&T vide O.M. No. 21011/1/2005-Estt (A) (Pt.II) dated 14.05.2009 has stipulated that the section entrusted with the maintenance of APARs after their receipt shall disclose the same to the officers reported upon. The concerned officers shall be given the opportunity to make representations against the entries and the final gradings given in the reports within a period of fifteen days from the date of receipt of

the entries in the APARs. The representation shall be restricted to the specific factual observations contained in the report leading to the assessment of the officer in terms of attributes, work output etc. While communicating the entries, it shall be made clear that in case no representation is received within fifteen days, it shall be deemed that officer concerned has no representation to make. If the concerned APARs section does not receive any information from the concerned officer on or before fifteen days from the date of disclosure, the APAR will be treated as final.

(iii) In terms of DOP&T O.M. No. 22011/5/2013-Estt.(D) dated 09.05.2014 in the event of the DPC deciding not to take cognizance of an order of the competent authority on the representation of the Government Servant on the entries/grading in the APARs on the ground that the same is not a speaking order, the DPC shall make its assessment based on the entries in APARs and other relevant material facts including the representation of the Government Servant.

(iv) While assessing the suitability of the Executives on whom statutory penalty/penalties is/are imposed, the DPC may take into account the Guidelines of DOP&T issued vide O.M No. 22011/4/2007-Estt.(D) dated 28.04.2014.

5. The attention of the Committee was also invited to the instructions contained in DOP&T O.M. No. 35034/97- Estt(D) dated 08.02.2002, which inter -alia provide that the DPC shall determine the merit of those being, assessed for promotion with reference to the prescribed benchmark and accordingly grade the officers as "fit" or "unfit". Only those who are graded "fit" (i.e. who meet the prescribed benchmark) by the DPC shall be included and arranged in the select panel in order of their inter-se seniority in the feeder grade. Those officers who are graded "unfit" (in terms of the prescribed benchmark) by the DPC shall not be included in the select panel. Thus, there shall be no supersession in promotion among those who are graded "fit" (in terms of the prescribed benchmark) by the DPC.

6.
