All CGMs, BSNL

Sub: 'Top Leaders of BSNL' Award Publication.

At the outset, I would like to appreciate the efforts put in by all our circles to achieve the targets. Moreover, some circles have shown consistent revenue growth as well as all round performance in terms of Q3 IPMS weighted scores.

This could not have been possible without the dynamic leadership of the concerned CGMs. Such that all employees of BSNL may be inspired and guided by their efforts, the bios of the concerned CGMs and brief write-ups on the initiatives they have taken have been published in Volume I of the '**Top Leaders of BSNL**' award publication (enclosed). This publication shall also be uploaded on the BSNL website and on the intranet.

I urge all employees to read this publication and feel inspired to take initiatives for better service delivery, customer care, revenue growth and reduction of operational costs. Volume II of this publication will be based on annual performances for the FY 2022-23 and it will recognize top performing circles, BAs and individual employees.

With best wishes to all,

  
(P.K. Purwar)
